How to add publications in the AMP Website:

1-Login

2-From the dashboard, click add new in the publications area on the left

3-Enter title, then description,

4-click on the starburst to link to the pdf of the publication (it displays "add media" when cursor goes over it) then add your media

5-Enter date, venue and authors at the bottom of the page (scroll to existing users for authors that are in drop down box,)

6-Then click on publish. Make sure to proof all information that you have posted.
